

# INDIA CRICKET RETREATS

---

In Association With

AN INDIAN EXPERIENCE

It has been said that cricket is an Indian sport invented by the English. What better way to celebrate the game by experiencing it in style on the land that worships it. Come soak in some Incredible India with an incredible itinerary. Our sample itinerary below is one that provides a holistic India experience offering you flavors of city life, rural life and royalty all rolled up in a bag full of cricket. You may choose as little or as much as you like and our sales team can help you curate your unforgettable tour.

At **Custom Cricket Co. (Tours)** we have personally experienced each aspect of the itinerary before curating it for you. As a passionate and globally travelled team of amateur cricketers and businessmen we have partnered with professionals on-site at every location to bring you the best in cricket and hospitality.
